

Ranked among the world's best in international business.

THUNDERBIRD
SCHOOL OF GLOBAL MANAGEMENT

A unit of the Arizona State University Knowledge Enterprise

Since 1946, Thunderbird has been synonymous with leadership in international business education. Our specialized degree programs are recognized for attracting diverse students from around the globe and delivering 100 percent global curriculum through hands-on applied learning opportunities. Similarly, our world-renowned executive education programs are heralded for the quality of international participants, the extensive professional and international experience of our faculty, and our innovative modes of delivery.
